

Pacific Northwest Engineering Student Design Conference

TEE-SHIRT CONTEST

Rah-Rah College Contest at Student Events, one of our favorites!

Contest has been held every year since 1992. We have a lot of fun with it.

- Most Engineering Clubs and ASME Student Sections have distinctive or humorous Tee-Shirts, polo-shirts, or sweat-shirts.
- Each Student organization may enter one or a maximum of two Shirt designs. Bring your Shirts to the Conference. Shirts manufactured or shown in previous years remain eligible.
- Your delegation selects a person to do “show-off” for each of your Shirts. We’ll call the show-off’s up to the front, at the closing ‘Awards’ session. Show us your Shirt and tell us all about it. Winner is decided by successive rounds of audience applause. No Prizes or Awards, this is just a “show-off for fun” contest.
- Text, graphics, and display exhibition are expected to be sensible and in good taste. And fun.
- Rule added in 2007: Entries must be samples from a batch, manufactured for general use at your Student Section; hand-made “marking-pen” shirts are not eligible to compete.
